ORDER FROM:

WWW.ALABAMARIVERSBOOK.ORG

Reading this book was like exploring Alabama's DNA, diving deep in time and resurfacing back to the present. Bill's enlightening celebration of Alabama rivers also includes an honest look at the challenges they face, and calls us all to take responsibility for ensuring the state's river story continues to be written by future generations! This is a must read for anyone in a position to make decisions about the future of Alabama.

-Cindy Lowry, Executive Director, Alabama Rivers Alliance

Bill Deutsch has worked for decades to protect Alabama waterways. Now, he has drawn from his deep knowledge to create a readable, engaging, and informative narrative about our rivers. We are in his debt for both these great gifts.

-Dr. Edwin Bridges, Emeritus Director, Alabama Department of Archives and History, Author of Alabama: The History of a Southern State
