**Subject:** UPDATE - Harris relicensing - HAT 1 meeting

## HAT 1

Due to the ongoing situation with the spread of COVID-19 (the “coronavirus”), Southern Company has directed its employees to use virtual meetings, when possible.

Therefore, the HAT 1 meeting scheduled for Thursday, March 19<sup>th</sup> will **only be held via the Skype link below and call-in number below**. If you are able to join via Skype, we will be sharing the presentation. If you are not, we will provide the presentation in a PDF document the morning of the meeting and the presenter will help you follow along with the slides.

**The Skype link will be available beginning at 8:30 am.** I suggest you join early to make sure that your computer is capable of joining (has all the necessary software). We will be muting and unmuting the phones from the control center, so please don't worry about announcing that you joined. **At 9 am, the meeting will begin**, and we will conduct a roll call to make sure we have a record of who attended the meeting. Also, if you use your computer's microphone and speaker to join the call, there is no need to use the phone number.

If you have any questions about the agenda or meeting, please email or call.
