Re: FEMA Elevation Certificates

Mr. Cunningham:

ProgreCiv Group, Inc. is pleased to announce the partnership with Hydro-Engineering Solutions, LLC to provide comprehensive FEMA Elevation Certificate services to the Lake Martin and surrounding areas. From the Department of Homeland Security and FEMA: "The Elevation Certificate is an important administrative tool of the National Flood Insurance Program (NFIP). It is to be used to provide elevation information necessary to ensure compliance with community floodplain management ordinances, to determine the proper insurance premium rate, and to support a request for a Letter of Map Amendment (LOMA) or Letter of Map Revision based on fill (LOMR-F)."

Our partnership has allowed us to put together a team of experienced and highly qualified individuals to address your needs. We currently anticipate our base Elevation Certificate to cost individuals around \$350.00. We look forward to working with you and your members to provide this service to the area.

Please do not hesitate to contact me with any questions or comments. I can be reached by phone at (334) 332-8407 or by e-mail at [hwagoner@progre Civgroup.com](mailto:hwagoner@progre Civgroup.com).

Sincerely,

M. Hagan Wagoner, P.E.  
President  
ProgreCiv Group, Inc.
